CONFIDENTIAL APPENDIX C-2

DESCRIPTION OF 2000 THROUGH 2004 IMPROVEMENTS OR UPGRADES

In anticipation of the FCC's designation, Alltel¹¹ entered into an agreement in 2000 with the Tate-Oglalla Sioux Tribe on South Dakota's Pine Ridge Indian Reservation. The service provisioning agreement enabled Alltel to provide tribal residents access to wireless telecommunications service. In order to provision the service, Alltel built a cell site in the Oglalla area in October 2000. Once Alltel received ETC designation in December 2000, the Company rapidly deployed and expanded service throughout the reservation, resulting in a high-quality service wireless communications service which has been available to almost all tribal residents for \$1 per month. Below is a summary of the projects Alltel completed:
